**IAP**  
INDUSTRIAL AIR POWER

## HT EXTREME 10,000

HT EXTREME 10,000 is an ultra-high performance, full synthetic, POE (polyolester) base stock lubricant formulated for extended service life. HT EXTREME 10,000 provides **maximum protection for your Rotary Screw compressors** and under normal operating conditions lasts up to 10,000 hours! HT EXTREME 10,000 is non-varnishing & non-foaming with an additive package formulated to provide maximum efficiency and lubricity.

**The Industrial Air Power Guarantee:** Our lubricants are guaranteed to be 100% compatible with the OEM lubricants they are intended to replace. All lubricants have been tested for complete compatibility with all appropriate materials including seals, o-rings, gaskets and hoses. Industrial Air Power guarantees quality, performance and compatibility for all of your compressor lubricant needs!

**IF YOU'RE NOT BUYING FROM INDUSTRIAL AIR POWER, YOU'RE PAYING TOO MUCH FOR OIL!**

High Performance Synthetic, Synthetic Blend and Food Grade Lubricants for ALL Major Air Compressor Brands, including: Atlas Copco, Gardner Denver, Ingersoll-Rand, Joy, Kaeser, LeROI, Quincy, Sullair, Palatek, Worthington and More!

Industrial Air Power is an independent supplier of OEM quality replacement compressor parts & is not affiliated with any of the manufacturers listed here. All OEM names are registered trademarks of their respective owners.
